TOP 3 SOLUTIONS FOR HOOSIERS

1: BUSINESS PERSONAL PROPERTY TAX

"I believe we can successfully reform this tax...we might allow our local counties to make the decision by providing them the option to eliminate or phase out the tax."

> GOV. PENCE, 12.17.13

RESULTS

- >>> Local option for tax relief
- >>> Competitive advantage for Indiana

2: PRE-K EDUCATION

"...I believe the time has come for a voluntary pre-K program to help Indiana's low-income kids...Let's open the doors of opportunity to low-income families for preschool education, for their future and ours."

> GOV. PENCE, 1.14.14

RESULTS

- >>> First-ever state money for voluntary pre-K education
- >>> Five-county, pilot program for approximately 1,500 low-income students
- >>> Long-term study of impact

3: ROAD FUNDS

"Because our roads mean jobs, we need to release \$400 million for the next era of highway expansion, and put people to work now."

> GOV. PENCE, 1.14.14

RESULTS

- >>> \$400 million for next generation highway expansion
- >>> New projects/new jobs now
